Pre-K Prep Camp focuses on basic school skills, cooperative play, art, and FUN. We work on kids' emotional, social, and cognitive development while having fun in a clean, safe space.

Children participate in energizing fitness games, non-competitive gymnastics, arts and crafts, music, and more. Each camp program is thoughtfully designed to keep children active and engaged while emphasizing physical development and personal achievement. With daily-changing themes and activities, no two camp days at My Gym are ever the same.
