FAQ

What do you do in a My Gym Party?

- The 2-3 My Gym Party Specialists will arrange everything from start to finish! They will lead an age-appropriate circle time, run lots of fun games and bring out amazing adventures and rides. Kids will also enjoy gymnastics, swings and of course our world famous zip wire!
- Your child will be the star of the party! We will call you beforehand to find out all about the birthday child so that we can cater the party exclusively for them.
- Under 3 year olds will enjoy exploring all of our amazing equipment such as our climbing frames, slides, trampoline, ball pit and indoor swings with their parents plus structured activities including songs, parachute games, bubbles, gymnastics, puppet shows and more!
- Over 3 year olds will enjoy group activities such as relays, games, gymnastics, obstacle courses and our Zip Wire!

I have invited a mixture of ages, will this be a problem?

- No! We can cater for a range of ages & we will make sure EVERYONE has lots of fun!

What is the maximum number of kids?

- No more than 25 please. Birthday child IS included in the headcount

Can we invite Grandma, Grandpa & Aunty?

- Yes! The more the merrier but please bear in mind, My Gym parties are designed around the children.
- All children under the age of 3 must be accompanied by an adult on the floor.
- For children over 4, the party works best if the parents either drop off or watch from our lobby.
- Why not let us arrange drinks & food for the adults to enjoy in the lobby while watching the kids having fun?

Can we bring our own food?

- Sorry, no outside food or drinks allowed on-site, except your Birthday Cake which will be cut and boxed for the kids to take home (if you opt for a My Gym supplied cake it can then be eaten on-site).
